## Twelfth Street Salesperson of the Year

Working as a salesperson is a competitive  
enterprise that takes enormous  
dedication, tenacity, and intelligence.  
Distinguishing yourself as an exceptional  
talent in the field requires a deeper level  
of commitment and an intangible quality  
that borders on magic. Corcoran is  
proud to honor our extraordinary agents  
whose sales record in 2007 made them  
the top salesperson in their office.
