

The Corcoran Group congratulates
2008 award winner **Jessica Buchman** as the

Park Slope Salesperson of the Year

Working as a salesperson is a competitive
enterprise that takes enormous
dedication, tenacity, and intelligence.
Distinguishing yourself as an exceptional
talent in the field requires a deeper level
of commitment and an intangible quality
that borders on magic. Corcoran is proud
to honor our extraordinary agents whose
sales record in 2008 made them the top
salesperson in their office.
